Executive Director  
TransYouth Allies

Dear Kim,

I just wanted to thank you again for a truly inspiring presentation. You do an amazing job. I would guess about half the people who came to our PFLAG Los Angeles meeting on Wednesday were either new or had come before but returned specifically to hear your message. You reached exactly the audience who needed to hear you and you are an inspiration to those of us who do this work and don't really know much about transgender issues. I am tremendously grateful to have met you.

Thanks,

Karen Mason
